About Me

Full-stack software engineer with strong team collaboration and independent problem-solving skills. Proven experience in building and deploying scalable applications using AWS, .NET, and modern front-end technologies. Highly adaptable, with excellent interpersonal skills and a passion for continuous learning and tackling complex challenges. Looking to join a dynamic development team where I can grow professionally and make a meaningful impact.

Skills

C#, Java, Python, JavaScript, TypeScript, React, React Native, SQL, MongoDB, Node.js, .NET Core, ASP.NET Core, AWS, Git.

Experience
